Hey Arvin,

Hope all is well.

I was wondering if you could help us out with a request on Dimock, PA. My staff has asked multiple times for a briefing from the Agency, but unfortunately, EPA has refused to comply with our request.

This is troubling, given the fact that EPA is conducting tests in PA and making press statements and briefing the media.

If you could help arrange something tomorrow or next week, we would greatly appreciate it. If you don't mind, please have your staff contact Dimitri Karakitsos (copied above) to set something up.

Best – Dave
